Thoracic Surgery, Northwestern Memorial Hospital, Chicago, Ill.
12:00PM-1:00 PM
Lunch

PROGRAM OVERVIEW

This course is specifically designed to enhance current knowledge about the prevention, intervention, and management of cardiovascular disease. Presentations will provide Nurse Practitioners, Nurses, Physicians, and Physician Assistants with evidence-based approaches to abnormal findings and information regarding new existing edge technologies. Lectures will address new insights in managing patients with ST Elevated Myocardial Infarctions, Congestive Heart Failure, Aortic Disease, Coronary Artery Disease, Hypertension, and Antithrombotic therapies.

LEARNING OBJECTIVES

At the conclusion of this educational activity participants will be able to:
- Describe the latest antithrombotic therapy therapies
- Identify the normal and abnormal finding in Chest Xrays and CT scans
- Compare the treatment outcomes in female vs male CABG patients
- Discuss the management of patients with aortic disease
- List the new guidelines for STEMI/ CHF management
- Discuss the management of the geriatric patient in relationship to cardiac emergencies
- List the available pharmacotherapies that treat hyperlipidemia
- Discuss the clinical indication of implanting a subcutaneous implantable cardiac defibrillator

TARGET AUDIENCE

This course is designed for Nurse Practitioners, Nurses, Physicians, Physician Assistants and other health care professionals interested in the care of patients with cardiovascular disease.

FACULTY DISCLOSURE

It is the policy of Mount Sinai School of Medicine to ensure objectivity, balance, independence, transparency, and scientific rigor in all sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose any financial relationships and to assist in resolving any potential conflict of interest that may arise from their discussion of unlabeled or unapproved products or procedures. This information will be available at the conference.

ACCREDITATION

The Mount Sinai Hospital is an approved provider of continuing nursing education by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
